

Request for Funding Support from the CPCRN Coordinating Center

CPCRN Collaborating Centers are expected to contribute 50% of their resources to cross-center collaborations. The CPCRN Coordinating Center sets aside funds to further support workgroup activities as needed. Coordinating Center funds are limited and will be spread across multiple workgroups and interest groups. Priority will be given to requests for the current budget year. Support can be used for expenses including:

- transcription fees
- incentives
- statistical services
- communication services
- software
- publication fees for open access journals
- other requests

The Coordinating Center cannot pay personnel costs or transfer funds to another university.

In order to request Coordinating Center funds, please submit the information below to beckylee@unc.edu for review by the Coordinating Center and Steering Committee Co-Chairs.

- 1. Workgroup or Interest Group Name:**
- 2. For what purpose are Coordinating Center funds requested?**
- 3. What Collaborating Center funding support is available for this work?**
- 4. What amount of Coordinating Center funds are requested?**
- 5. When will the funds be needed?**
- 6. Additional information:**
